

INVITATION TO APPLY, 2009

International Society for Heart Research

ISHR

SERVIER

Research Fellowship

This fellowship is to foster European cardiovascular research integration

Who may apply?

Eligibility: applicants should be under 35 years of age on July 1st, 2009 and ISHR-ES members at the time of application. The doctoral thesis will have to be completed before the ISHR-ES annual meeting in Nice, France, on May 30th – June 2nd, 2009.

What is the ISHR-ES/SERVIER Research Fellowship?

A €20000 grant is offered by SERVIER in partnership with the European section of the ISHR to support a cardiovascular research project within a European research group for a period of up to 1 year.

How to apply

Provide one PDF file containing the following information:

- ▶ Curriculum vitae
- ▶ List of publications
- ▶ A description of your research program as a 1-page summary + no more than 6 pages of main text
- ▶ One letter of support from a supervisor

to Prof Sian HARDING
